**Section B - Technical Information**

Submit the following documentation to:

Department of Environmental Conservation  
CS Lab Approval  
5251 Dr. MLK Jr. Avenue  
Anchorage, AK 99507  
Attn: Lance Morris

1. **This application**, completed in full.
2. **Laboratory Quality Assurance Plan (QAP)**. The QAP must contain unmodified SOPs as specified in Table 1 of 18 AAC 78.800 for each method the laboratory is seeking approval. In addition, the minimum elements from the EPA are *Guidance on Preparation of Laboratory Quality Assurance Plans*, Revision 1, October 9, 1992 (EPA 910/0-92-032).
3. **Performance Evaluation (PE) results** in soil and in water for GRO, DRO, and BTEX and in soils for RRO, using the required methods listed in Table 1 of 18 AAC 78.800. BTEX PE results must be reported by each method for which the laboratory is seeking approval. Blind PE samples must be provided by a supplier approved by ADEC. **PEs must fall within the concentration ranges specified by the State of Alaska. PEs which fall outside this range will not be allowed even if the results are "acceptable."**  
**FIRST TIME APPROVAL:** Acceptable PE results must be analyzed no more than 90 days prior to submission of the application and no more than 30 days after submission of application for approval to ADEC-SCL. Annual successful PE completion is required to maintain ADEC Laboratory Approval.  
**RENEWAL OF APPROVAL:** Acceptable PE results for renewal of approval must be analyzed between 90 to 30 days prior to expiration of approval to prevent a lapse in approval.  
*Performance evaluation results must be submitted to ADEC by the third party vendor.*
4. **The fee** for laboratory approval is \$800.00. (This fee is non-refundable regardless of acceptance or rejection of a laboratory's application.) The check should be made out to "The State of Alaska - Department of Environmental Conservation.
5. **Certification of applicant.** I certify that I have read 18 AAC 78 as it pertains to the approval of the laboratory identified in Section A, and that the information provided herein is accurate and correct to the best of my knowledge. Furthermore, I understand that by signing this I, the legal representative of the candidate laboratory, agree that the candidate laboratory shall abide by the rules and regulations contained within 18 AAC 78 including subsequent amendments. Any modifications made to the approved methods have been authorized by ADEC in writing.
